

Public Notice of Intervention

Section 1008.345(6)(c), Florida Statutes (F.S.), states:

Pursuant to s. 24.121(5)(d), F.S., the department shall not release funds from the Educational Enhancement Trust Fund to any district in which a school, including schools operating for the purpose of providing educational services to youth in Department of Juvenile Justice programs, does not have an approved school improvement plan, pursuant to s. 1001.42(18), F.S., after one full school year of planning and development, or does not comply with school advisory council membership composition requirements pursuant to s. 1001.452, F.S. The department shall send a technical assistance team to each school without an approved plan to develop such school improvement plan or to each school without appropriate school advisory council membership composition to develop a strategy for corrective action. The department shall release the funds upon approval of the plan or upon establishment of a plan of corrective action. Notice shall be given to the public of the department's intervention and shall identify each school without a plan or without appropriate school advisory council membership composition.

The schools listed below were not able to achieve the appropriate school advisory council membership composition during the 2013-14 school year. Each respective district was required to submit a corrective action plan during the 2014-15 school year to receive allocations from the Educational Enhancement Trust Fund.

Plans are available from the Bureau of School Improvement upon request.
